

Openshaw Moving Day Checklist (Free PDF)

Print this before moving day in Openshaw. It covers the Manchester City Council parking rules, the access quirks of the local stock (Post-clearance semis and modern estates with a rump of Victorian terraces) and the sign-off steps most people forget.

Four weeks before — book and confirm

- ☐ Confirm the move date and slot for your Openshaw address in writing.
- ☐ Book the van size against your property type — Post-clearance semis and modern estates with a rump of Victorian terraces.
- ☐ Check whether Manchester City Council needs a parking dispensation or suspended bay on your street.
- ☐ Tell your landlord or agent the exact handover date and key-return time.
- ☐ Book any end-of-tenancy or pre-move-in clean for the day either side of the move.
- ☐ Start using up freezer food, cleaning products and anything that cannot travel.

Two weeks before — paperwork and access

- ☐ Apply for the Manchester City Council permit or bay suspension (allow 5–10 working days).
- ☐ Book the lift or service entrance if your building near The Manchester College Openshaw campus has one.
- ☐ Redirect post and update your address on the M11 electoral roll, bank and insurance.
- ☐ Notify energy, water, broadband and council tax with opening and closing dates.
- ☐ Register with a new GP, dentist and vet if you are leaving the area.
- ☐ Arrange school transfers or nursery notice periods.

One week before — pack room by room

- ☐ Label every box with the destination room, not the room it came from.
- ☐ Pack a 'first night' box: kettle, mugs, chargers, bedding, toilet roll, medication.
- ☐ Photograph the back of the TV and any flat-pack you are dismantling.
- ☐ Drain the washing machine and fit its transit bolts.
- ☐ Dispose of paint, oils and garden waste through the Manchester City Council tip — the crew cannot legally load them.
- ☐ Set aside valuables, passports and jewellery to travel with you.

The day before — final prep

- ☐ Charge phones and keep a paper copy of the crew's number and the new address.
- ☐ Defrost the fridge-freezer and towel it dry.
- ☐ Take meter readings at the old property and photograph them.
- ☐ Put cones or bins out to hold the loading space if Openshaw parking is tight.
- ☐ Bag bedding and clothes, and strip the beds you are taking.
- ☐ Confirm arrival window with the crew and the key-collection time with the agent.

Moving day — loading

- ☐ Walk the crew through the property and flag fragile and do-not-load items.
- ☐ Protect carpets, stair noses and door frames before the first box moves.
- ☐ Load heavy furniture first, boxes second, soft furnishings last.
- ☐ Keep the first-night box and paperwork with you, not in the van.
- ☐ Check lofts, sheds, the garden and every cupboard before the van leaves.
- ☐ Final meter readings, lock up and hand back keys.

Moving day — unloading and sign-off

- ☐ Direct each box to its labelled room as it comes off the van.
- ☐ Build beds first so the day can end even if boxes are still packed.
- ☐ Test the boiler, hot water, smoke alarms and the consumer unit.
- ☐ Take arrival meter readings and photograph them.
- ☐ Check items against your inventory and report damage before the crew leaves.
- ☐ Break down boxes and book a recycling collection or clearance slot.
